A message from Vice President, Jason Duran:

Dear Members,

Effective immediately, the Colorado State FOP Lodge has raised the price of the Non-Duty Legal Defense Plan. The plan has gone up \$5.00 per month. The dues for this plan are now \$180.00 for the whole year or \$15.00 per month. A reminder to all this plan is **NOT** prorated.

This only affects the Non-duty legal defense plan and not your regular on-duty legal defense fund that is included with your membership to the FOP.

***The non-duty plan covers incidents which may occur in your personal life (non-law enforcement related events). The plan is an additional \$15 per month/\$180 for the year in addition to your membership dues for legal defense up to \$15,000. The plan provides Criminal Defense for misdemeanors & felonies cases (traffic & parking tickets NOT included). Rule 105 Appeals are covered under this plan.

Also included in the plan are the following areas:

General Real Estate Law
Wills, Trusts & Estate Law
Medical & Financial Power of Attorney
Employment Law

For Divorce, Child Custody, Child Support & Restraining Orders a \$2,500 retainer is required and \$2,500 will be matched from the State Lodge for 15 hours with a family law attorney. If 15 hours are not used your \$2,500 retainer will be refunded. If over 15 hours are used then you are entitled to keep your attorney at the FOP discounted rate of \$168 per hour.

More information about the plan and sign-up forms are available at www.denverfoplodge41.com under the "membership info" area. If you have any additional questions or comments, please feel free to contact your board members. Thank you all for your time!

Be Safe!
